## SK F30 Sidewinder

### Features:

The SK F30 retractable insect screen utilises a simple bead-chain sidewinder control as standard. White metal universal brackets for secure top fixing with powder-coated extruded aluminium cassette and side guide channels. Rot-proof PVC coated fibreglass mesh is locked into the barrel and bottom bar profile.

### Benefits:

The discreet yet attractive profile of the SK F30 roll-up system provides a perfect solution for almost all types of window or door openings. A strong focus on a trouble-free quality mechanism with high-grade nylon fittings ensures consistency of operation.

### Specification:

The SK F30 retractable insect screen with sidewinder operation. Roll-up flame retardant, rot-proof PVC coated fibreglass mesh within white powder-coated aluminium cassette, guide channels and bottom bar. Supported by sturdy metal brackets and incorporating plastic control chain.

This product range comes with a full Lifetime Warranty as standard.
